

Overview:

U/M3EX | Satin poster paper 210gsm

This is our heavier-weight satin paper, designed to offer the ideal poster substrate. If image quality is key, this paper will exceed your expectations by offering brilliantly vivid colour results. If you require durability, then you'll find this paper to be outdoor durable and with a high wet strength. And for peace of mind, we've made sure it's also PVC-free. A great choice for all your satin print needs.

- Exceptional photographic-quality prints with a non-reflective satin finish
- High whiteness and 100% colour gamut for high-quality colour reproduction
- Water-resistant and can also be hot and cold laminated for extra protection
- The perfect choice for latex ink

Applications:

The perfect choice for high-quality photographic outdoor advertising and posters

Compatibility:

This product has been tested for use with the following ink technologies;

Latex
